Re: Smart City Television, LLC
CV07-0001

Dear Ms. Hall:

We received your request to amend your State-Issued Certificate of Franchise Authority for cable and/or video service. Your amendment has been accepted. An amended certificate is attached.

The Federal Communication Commission's Cable Act Reform 47 C.F.R. 76.952 states that "all cable operators must provide to the subscribers the name, mailing address and phone number of the franchising authority, unless the franchising authority in writing request that cable operator to omit such information."

Since we are not authorized to regulate cable activities, the Department of State, Cable and/or Video Franchise Section, requests certificate holders to omit the department's name and contact information from the monthly billing inserts to subscribers. The Department of State does not have any authority to resolve customer service complaints. In 2009 the Department of Agriculture and Consumer Services will be responsible for responding to customers' complaints.

If you should have any questions, please call us at (850) 245-6010.
