(2) In the case of any Florida corporation having been organized or any foreign corporation which has been authorized to do business in Florida, less than twelve (12) months at the time the report is due, the capital stock tax is to be paid, the tax due that year shall be pro rated according to the number of months the corporation has been in existence or authorized to do business in the state.

The secretary of state shall make such investigation as he may consider necessary and increase or decrease the value of no par value stock as he may determine to be correct, and in so doing he may take into consideration all facts tending to show the fair market value of the stock, including its sale price, the amount of the surplus of the corporation and each other pertinent fact as he may deem advisable.

608.34 Duties of secretary of state.—The secretary of state shall prescribe the form and furnish the blanks upon request to make the annual reports called for in 1055.53, examine the reports when received and if the information called for is given in such report, he shall file the same as information and keep such report as public records. He shall pay into the state treasury to be used for such purposes as the legislature may determine all moneys collected under the provisions of 1055.53. He shall cause a notice of the requirements of 1055.52 to be mailed to the last known address of every corporation doing business in the state which shall fail to file within thirty (30) days after July 1st, the report required by 1055.52 or pay the capital stock tax imposed by 1055.52.
