(1) All corporations heretofore or hereafter incorporated in this state and all foreign corporations heretofore or hereafter authorized to do business in this state are required to file with the secretary of state on or before July 1st of each year a sworn report, on such form as the secretary of state shall prescribe, giving (a) the name of each officer and director and his post office address, (b) the home office of the corporation, (c) the name and address of the resident agent upon whom service of process may be made, (d) the main line of business engaged in by the corporation, (e) the date of the last meeting of its board of directors, (f) whether the corporation has been actively engaged in business during the previous twelve (12) months or if its charter powers have been dormant and unused during that period, (g) the number of the shares of the capital stock of such corporation with the par value thereof, (h) the total amount of capital stock, and if a foreign corporation the amount of its capital stock allocated for use in the State of Florida, (i) such other information as may be necessary to show whether the corporation is active or inactive, and (j) such other information as may be necessary for the secretary of state to have in carrying out the provisions of this section and §608.33.

(2) Provided, that railroad, pullman, telephone, telegraph, insurance, banking and trust companies, building and loan associations, cooperative associations, corporations not for profit and corporations paying the maximum capital stock tax, shall be required to furnish the information required under (a) through (f) of subsection (1) hereof only.

(3) All reports herein required shall be for the calendar year and shall be due to be filed on July 1st of each year and the tax payable under §608.33 shall be paid at that time.

608.33 Capital stock tax.—

(1) Every corporation, except railroad, pullman, telephone, telegraph, insurance, banking and trust companies, building and loan associations, cooperative associations, corporations not for profit, doing business in this state shall pay to the state for the use of the state a capital stock tax according to the following schedule:

For all corporations with capital stock not exceeding \$10,000.00.....	\$ 10.00
For capital stock of over \$10,000.00 and not over \$25,000.00.....	25.00
For capital stock of over \$25,000.00 and not over \$50,000.00.....	50.00
For capital stock of over \$50,000.00 and not over \$100,000.00.....	75.00
For capital stock of over \$100,000.00 and not over \$200,000.00.....	100.00
For capital stock of over \$200,000.00 and not over \$500,000.00.....	200.00

For capital stock of over \$500,000.00 and not over \$1,000,000.00.....	500.00

For capital stock of over \$2,000,000.00.....	1,000.00

The capital stock above mentioned refers to the invested capital represented by shares of stock outstanding.

(2) In the case of any Florida corporation having been organized or any foreign corporation which has been authorized to do business in Florida, less than twelve (12) months at the time the report is due and the capital stock tax is to be paid, the tax due that year shall be pro rated according to the number of months the corporation has been in existence or authorized to do business in this state.

(3) Nothing in this section or in §608.32 shall apply to any corporation that has been adjudged bankrupt or dissolved by order of court except that any such corporation shall file a statement setting forth its status in that respect, but shall not be required to pay the capital stock tax.

(4) In the event any of the shares of stock of any such corporation should be no par value, then for the purposes of this section, each share shall be presumed to have a value of at least one hundred dollars (\$100.00) per share, which presumption may be overcome by actual proof submitted to the secretary of state. The secretary of state shall make such investigation as he may consider necessary and increase or decrease the value of no par value stock as he may determine to be correct; and in so doing he may take into consideration all facts tending to show the fair market value of the stock, including its sale price, the amount of the surplus of the corporation and such other pertinent facts as he may deem advisable.

The secretary of state shall prescribe the form and furnish the blanks upon request to make the annual reports called for in §608.32. He shall examine the reports when received and if the information called for is given in such reports, he shall file the same as information and keep such reports as public records. He shall pay into the state treasury to be used for such purposes as the legislature may determine all moneys collected under the provisions of §608.33. He shall cause a notice of the requirements of §§608.32-608.33, to be mailed to the last known address of every corporation doing business in the state which shall fail to file within thirty (30) days after July 1st, the report required by §608.32 or pay the capital stock tax imposed by §608.33.

608.35 Penalty for failure to file report and pay tax.— Any corporation failing to comply with the provisions of §§608.32 and 608.33 for six (6) months shall not be permitted to maintain or defend any action in any court of this state until such reports are filed and all taxes due under this chapter be paid.
