Re: UBR Report

I am currently working on the dive support vessel – DPMSV Global Pioneer as an engineer. We had a job in Mexico that was only going to last 30 days but it turned into 75 days. When I realized that I probably wasn't going to be back in time to take care of this – I called my book keeper (Mr. White) and spoke with his sec about taking care of this. She told me that it had been taken care of but she misunderstood – it was an extension to file the corp. income tax that she thought I was talking about. So I had my wife mail up this form to me so I could take care of it. This is why it is late and I throw myself on your mercy not to charge me this horrendous late fee. I did everything I thought was prudent to take care of this but too many things went wrong.

Thanking you for consideration

Terence W Reilly
