To whom it may concern:

On July 18, 1997 I received a second notice for filing our corporation annual report. I was very distressed to find that we were being assessed \$385.00 late fee for not filing in June of this year..

Distressing because I never received a first notice for filing and would never have ignored the first notice in favor of the second at an addition cost of \$385.00. Only a fool or an idiot would take such a course of action and I like to think that I am neither.

After speaking with a representative in Tallahassee I was advised to send in the initial fee of \$165.00 and send a letter along with the fee.

If you look at our record of reporting you will see that filing late is not our normal procedure.

I wish to continue my corporation in the state of Florida, but I refuse to pay a penalty through no fault of mine.

Thank You

Cheryl C. Garbart

P.S. We have been at our present address for the past three years.
