Dear Sir or Madam:

Enclosed you will find four checks in payment for the 2001 corporation filing fee for the four companies listed above. I am writing in hopes that you will not penalize the Capital Medical Society with late fines associated with these filings. The Capital Medical Society has struggled without a bookkeeper since October 2000 and during that time the Executive Director, who had been with the Capital Medical Society for 17 years had also left. Since then, the Society has had two different executive directors. I hired a bookkeeper at the same time I started; so needless to say, we have been dealing with a tremendous amount of clean-up work.

I am asking that you not penalize the Society financially because this will not happen again. It is a result of unprecedented chaotic change in the office.

Thank you for your assistance and consideration. Please feel free to call me with any questions. 877-9018.

Sincerely,

Karen Wendland
Executive Director
