Sirs;

I recently received a "Notice of Administrative Dissolution or Revocation" from the Florida Department of State. As I have filed this form for you twice this year already, I called your office to find out what was wrong. During my conversation with your operator I was informed that there is a problem with the address on the preprinted envelopes and that many other Annual Corporation reports were not received either. He further stated that I should send a copy of the report along with a check for the original amount to the above address, along with a letter explaining my actions.

I first filled out the original form in January 1997 and mailed it off along with the required fee. In August I received notice that it had not been received, so I canceled the first check and resent the form with a new check. Now in October I find out that you had not received the second form either.

Therefore I have enclosed the preprinted form enclosed in the notice as I did not keep a copy of the original form. I have also enclosed a check for the required amount due in August.

If you have any questions my phone number is (305) 532-9412.

Sincerely,

Michael Wacker
Secretary/Treasurer
