Dear Sean,

Please help me!! Back in June of this year, it was the 27th to be exact I mailed the filing fee of \$61.25 and the Annual Report Packet to your address there in Tallahassee. Apparently neither of these were ever received by your office. The way I found out that you had not received it was by receiving a Notice of Dissolution, this document was not sent directly to me as I was not the registered agent (yet) because you had not received the new Corporate Report. Time transpired. The original check was #1123 and I had the bank put a stop payment on it at my own personal expense (\$15). I called your office and spoke to a very nice lady by the name of Maria on 09/30/96 and she advised me to "just put the copy of the report and the check in an envelope and mail it back to you" I did as she instructed. On October 16th or 17th I, (through the address vine again) was informed that we were still not legal in the eyes of the State of Florida as per your letter dated 15 October 96. I again made a long distance call to your department where another nice lady by the name of Stacy said I needed to resubmit the form with an "explanation" attached of what went wrong. You now have my story and we still need to be legal. Please advise as to what the next move should be. The Board of Directors is about to lynch me if I don't get this fixed. Thanks for your patience and your help.

Respectfully hanging by a thread,

Cliff Kirk, Treasurer
