ARTICLE X

INDEMNIFICATION

10.1 Indemnity. To the extent permitted by law, the Association indemnifies any person who was or is a party or is threatened to be made a party, to any threatened, pending or contemplated action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a director, employee, officer or agent of, or a committee member appointed by, the Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the interest of the Association; and, with respect to any criminal action or proceeding, he had no reasonable cause to believe his conduct was unlawful; except, that no indemnification can be made in respect of any claim, issue or matter as to which such person has been adjudged to be liable for gross negligence or willful misfeasance or malfeasance in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine, upon application, that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court deems proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in, or not opposed to, the interest of the Association; and with respect to any criminal action or proceeding, he had no reasonable cause to believe that his conduct was unlawful.

10.2 Expenses. To the extent that a director, officer, employee or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 10.1 above, or in defense of any claim, issue or matter therein, he must be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him in connection therewith.

10.3 Approval. Any indemnification under Section 10.1 above (unless ordered by a court) can be made by the Association only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 10.1 above. Such determination must be made (a) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (c) by a majority of the Members.

10.4 Advances. Expenses incurred in defending a civil or criminal action, suit or proceeding can be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Directors in the specific case upon receipt of an undertaking by or on behalf of the directors, officer, employee or agent to repay such amount unless it is ultimately determined that he is entitled to be indemnified by the Association as authorized in this Article.

10.5 Miscellaneous. The indemnification provided by this Article is not exclusive of any other rights to which those seeking indemnification are entitled under any Bylaw, agreement, vote of Members or otherwise, both as to action in his official capacity while holding such office, and

continue as to a person who has ceased to be a director, officer, employee, or agent and inure to the benefit of the heirs, executors and administrators of such a person.

ARTICLE XI

AMENDMENTS

Amendments to these Articles must be proposed and adopted in the following manner:

11.1 Notice. Notice of the subject matter of a proposed amendment must be included in the notice of any meeting at which a proposed amendment is to be considered.

11.2 Adoption. A resolution for the adoption of a proposed amendment can be proposed either by a majority of the Board of Directors or by not less than thirty percent (30%) of the Members of the Association. A proposed amendment must be approved by not less than two-thirds (2/3) approval of the Members present in person or by proxy at a meeting at which a quorum is established called for such purpose after due notice to the Members of the exact language of the proposed amendment or by written agreement in lieu of a meeting, as outlined in Chapter 617, Florida Statutes, as amended from time to time, where at least a quorum of the membership participates.

No Articles can be revised or amended by reference to its title or number only. Proposals to amend existing Articles must contain the full text of the Articles to be amended; new words must be inserted in the text underlined, and words to be deleted must be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Articles of Incorporation. See Article . . . for present text." Nonmaterial errors or omissions in the Articles process do not invalidate any otherwise properly promulgated amendment.

11.3 Limitation. No amendment can make any changes in the qualifications for membership nor in the voting rights or property rights of Members.

11.4 Recording. A copy of each amendment must be filed with and certified by the Secretary of State pursuant to the provisions of the applicable Florida Statutes, and a copy must be recorded in the Public Records of Palm Beach County, Florida.
