RE: Florida Division of the Izaak Walton League of America; Document Number 739402

To Whom It May Concern:

As you may be aware, the Internal Revenue Service has recently introduced a requirement for small non-profit organizations to file an annual Form 990-N "Postcard Return," confirming that they are still in business and that their usual annual income is less than \$25,000.

In the course of filing our 990-N return, we have discovered that the FEIN that is associated with the Florida Division of the Izaak Walton League of America on the Florida Division of Corporations' records does not agree with the records of the Internal Revenue Service.

The FEIN shown on the Division of Corporations' web site is 59-0998701, when it appears in the IRS records as 59-0098701. This appears to be a key-punch error, with two "9"s instead of two "0"s having been entered. This incorrect number persists as far back as we can look in our records. We are correcting our records to accurately reflect the correct number.

Please correct the FEIN for the Florida Division of the Izaak Walton League of America, Inc., to 59-0098701.

739402

Sincerely,

Michael F. Chenoweth, Director
Florida Division of the Izaak Walton League of America
