RE: Name/Address Change

Dear Vendor:

In the next five years, more than \$10 billion will be invested by U.S. businesses in telecommunications premise installations to meet the accelerating demands of their private voice, data and video networks. Telecommunications continues to play an ever increasing role in the competitiveness of today's businesses.

Over the past few years, you have provided products and services for Carolina Com-Tec and/or Burnup & Sims CommServices for our premise installation and maintenance contracts. In order to keep up with the evolving needs of our customers, our parent company, MasTec, Inc., has decided to merge Carolina Com-Tec, Inc. and Burnup & Sims CommServices. This merger will create one of the largest premise wiring companies, providing nationwide voice, data and video network solutions for the business community.

This merge will move all accounting facets to the Charlotte office. Your new accounts payable contact is Mona Tutino. All invoices must be mailed to the following address, to ensure prompt payment:

MasTec ComTec
1715 Orr Industrial Court
Charlotte, NC 28213

We want you to know that we appreciate the relationship we have with your company. On behalf of the technicians, administrative staff, engineers, and project managers, we thank you.

Best Regards,

Don Graham
President

MasTec ComTec
