To Whom It May Concern:

We have just been informed that NATIONAL INSURANCE COMPANY **is not** authorized by statute to designate the Chief Financial Officer of the State of Florida as its registered agent on the records of the Florida Department of State. Therefore, the company must designate an individual or another business entity with a Florida street address to serve as its registered agent in the state of Florida.

The registered agent and registered office designation must be made on the entity's 2012 corporation annual report filing, which must be filed on or before September 28, 2012, or the entity's authority to transact business in the state of Florida will be revoked. The report, which is actually due between January 1 and May 1 of every year, must be filed on or before the last Friday of September. Otherwise, a foreign entity's authority to transact business in this state is revoked in accordance with the Florida Statutes.

The fee to file the report on or before May 1<sup>st</sup> is \$150. After May 1<sup>st</sup> there is a \$400 late fee, which cannot be abated, reduced or waived. Therefore, the fee to file the report at this time is \$550. If the entity's authority is administratively revoked, there is a \$600 reinstatement fee due in lieu of the \$400 late fee. Therefore, if revoked on September 28<sup>th</sup>, the fee to reinstate the entity's certificate of authority in the state of Florida on or before December 31<sup>st</sup> will be \$750.

The report must be filed online via our website [www.sunbiz.org](http://www.sunbiz.org). Simply click on the blue box entitled "File Current Year Annual Report or Amended Annual Report," which is located on our home page and follow the prompts.

Please do not hesitate to contact me should you have any questions concerning this matter.
