RE: MMC & MKC Enterprises
Limited Partnership

Document #A00000000061

EIN# 65-0976111

Dear Marcia:

Pursuant to your conversation with Nancy of our offices, we have enclosed herein the following in connection with the above-referenced partnership:

- (1) Signed and dated Limited Partnership Reinstatement;
- (2) Check in the amount of \$1,578.75 representing the filing fee for the Limited Partnership Uniform Business Report for the years 2001, 2002 and 2003 (\$526.25 X 3).

We would appreciate your waiving the penalty assessed for the non-filing of these forms based on the following information:

- (1) The mailing address for this partnership initially was 2150 Ibis Isles Road, Apt. 14, Palm Beach, Florida 33480. The current mailing address is 2129 Devonshire Way, Palm Beach Gardens, Florida 33418. During our conversation, you noted that the address you have on hand is the 2150 Ibis Isles Road. Apparently, the initial form was mailed to the Ibis Isles' address but never forwarded to the Devonshire Way address, **which leads us to believe that no forms have ever been received by the partnership.**

- (2) The individual responsible for overseeing this partnership's accounts and records apparently never followed up on the fact that no reports were ever received by the partnership or filed with the State of Florida. **Upon our recent review of the files, we find no evidence of receipt of these forms, thus, the reason for our telephone call to your office to check on the status of the partnership.**

- (3) The individuals involved in this partnership are very efficient when it comes to forwarding to our offices information, papers, etc. They file and pay filing fees and/or taxes on a timely basis.

Please forward to our offices notification of reinstatement of the partnership.

We thank you for your understanding and anticipated cooperation in connection with this matter, and if you have any questions or comments in connection with this matter, please do not hesitate to contact our offices.

Sincerely,

MORRIS ENGELBERG
