Gentlemen,

Confirming my telephone conversation with Sharon in your office today, I am herewith returning 2001 Uniform Business Report along with check for \$541.25 as requested.

I explained that I never received this form which Sharon told me must be submitted before May 1st every year. Since this is the first year that the Diamant Family Partnership has been in existence, there was no way I could have known that this was something which had to be done yearly.

I have, nonetheless, enclosed check for the amount of \$541.25 which you requested, but under the circumstances, I wish to ask that you consider waiving the late charge of \$400.00, if at all possible.

Thank you,
Eve Diamant
