We have received your document for FORTUNA CLUB LTD. and your check(s) totaling \$140.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

In section 8 you have listed four general partners, but many more people have signed the next page as "general partners." We checked the list of members that you also sent, but nothing on the list indicates that any of the people listed there are general partners.

Please return your certificate with the names, addresses, and signatures of all the general partners. If you need more space than is in section 8, you can add an attachment. Please also note that we are returning your "partnership agreement" and "bylaws" because we do not file those documents. Finally, please make sure that the general partners signing the affidavit of capital contributions are listed as general partners in the certificate of limited partnership. We have enclosed a new blank form in case you need it.

Please return your document, along with a copy of this letter, within 60 days or your filing will be considered abandoned.

If you have any questions concerning the filing of your document, please call (850) 245-6958.
