Special Board of Directors meeting to consider adopting a corporate name for a Florida business entity.

The undersigned attests that a majority of the Corporation's Board of Directors were present at this meeting.

The application to register the Corporation name was rejected by the State of Florida since this corporate name is already in use. The DBA name of Auto Express is also in use.

A list of possible names for use in Florida was proposed by the President to the Florida Division of Corporations and the name SticKars was determined to not have a conflict with existing name use.

The Board of Directors unanimously approved the use of the name **SticKars Inc.** for use in Florida and authorized the president to proceed with filing the necessary application forms.

President
