To Whom It May Concern:

Based upon a comparison of our corporate database with data provided by the Florida Department of Revenue, it appears that this corporation may be transacting business in Florida without authority from the Florida Department of State, Division of Corporations, to do so.

According to data obtained from the Florida Dept. of Revenue in accordance with section 213.053(14), Florida Statutes, this entity is currently registered as obligated to file a corporation income tax return with the State of Florida. Because the corporation conducts sufficient business activities within the state of Florida to warrant its compliance with Florida's revenue laws, it is incumbent upon the corporation to review and determine whether and how sections 607.1501-607.1532, Florida Statutes, (a copy of which are enclosed) apply to its present situation.

If, after reviewing the enclosed, you determine the corporation is presently transacting business in Florida within the meaning of s. 607.1501, F.S., complete and submit the enclosed "Application by Foreign Corporation for Authorization to Transact Business in Florida" along with the appropriate fees and documentation. If the corporation is not presently transacting business in Florida, complete and submit the enclosed "Statement Concerning Authority to Transact Business in Florida by a Foreign Corporation".

To avoid the necessity of any further action on the part of this office, you must return one of the appropriate forms mentioned above within the next thirty (30) days. Should you have any questions regarding this matter, you may call the Registration/Tax Lien Section at (850) 487-6091, or write P.O. Box 6327, Tallahassee, Florida 32314.

PLEASE NOTE THE DIVISION OF CORPORATIONS RECOMMENDS THAT CORPORATE DOCUMENTS BE REVIEWED BY YOUR LEGAL COUNSEL. THE DIVISION OF CORPORATIONS IS MERELY A FILING AGENCY AND AS SUCH DOES NOT RENDER ANY LEGAL, ACCOUNTING, OR TAX ADVICE. THE PROFESSIONAL ADVICE OF YOUR LEGAL COUNSEL TO ASCERTAIN EXACT COMPLIANCE WITH ALL STATUTORY REQUIREMENTS IS STRONGLY RECOMMENDED.

We have received your document for LINDERLAKE CORPORATION and your check(s) totaling \$70.00. However, the enclosed document has not been filed and is being returned for the following correction(s):

The designation of the registered office and the registered agent, both at the same Florida street address, must be contained within the document pursuant to Florida Statutes. The registered agent must sign accepting the designation as required by Florida Statutes.

Based upon information provided by the Florida Department of Revenue, pursuant to section 213.053(14), Florida Statutes, it appears that LINDERLAKE CORPORATION has transacted business in Florida prior to submitting an "Application for Authority to Transact Business in Florida". The information received from the Florida Department of Revenue indicates January 1, 1998, as the initial date of transacting business in the State of Florida.

Pursuant to section 607.1502(4), 617.1502(4) or 608.502(4), Florida Statutes, this office collects a civil penalty of \$1000 for each year this entity transacted business or conducted its affairs in Florida prior to qualification and the appropriate annual report fees that would have been due this office had the entity qualified the year it began operations in this state. The amount due this office to cover both annual report/uniform business report and penalty fees is \$2,300.00.

Enclosed please find a copy of section 607.1501, 617.1501, or 608.502, Florida Statutes, which lists those activities that do not constitute transacting business in this state. If after reviewing this section you determine erroneous information was inserted on the application, a notarized affidavit containing the following information must be submitted: 1.) a statement indicating erroneous information was listed on the application; and 2.) the correct date the corporation began transacting business in Florida prior to the year the application was submitted did not constitute transacting business pursuant to section 607.1501, 617.1501 or 608.502, Florida Statutes.

We have received your document for LINDERLAKE CORPORATION and your check(s) totaling \$70.00. However, the document has not been filed and is being retained in this office for the following:

Thank you for submitting your corrected application including the registered agent designation. Your original application was rejected in December of 2000 for the registered agent designation but also for the matter of penalties. Please refer to the attached copy of that letter and the statute referred to therein.

If you determine that the corporation was transacting business prior to filing, the penalty amount would be due this office. If you determine that the corporation was NOT previously transacting business, you must submit a notarized affidavit stating that the corporation did not transact business in Florida prior to filing the application.

If you have any questions concerning the filing of your document, please call (850) 487-6958.

Dear Ms. Rivers:

This is in response to a letter received from your department regarding Linderlake transacting business in Florida.

Linderlake's original application for authorization to transact business in Florida was returned with the request for a Registered Agent. Linderlake does not maintain an office in Florida. Linderlake has employees throughout the country working for various telecommunications companies. Our employees work in the field, on a **temporary basis**, locating underground cable and travel extensively throughout the state they are assigned. With only a few individuals in the State of Florida, it is not practical or cost efficient to open and maintain an office.

Based on the type of work and unusual circumstances associated with Linderlake's services, could your office recommend a practical solution? It would be unfortunate for our several employees within Florida, if Linderlake were forced to discontinue its service within your state for economical reasons. Any direction from your department would be greatly appreciated.

Thank you for your assistance with this request.

Sincerely,
LINDERLAKE CORPORATION

This letter is in response to your March 27, 2001 letter asking about registered agents. Although all corporations which file with this office must designate a registered agent and office address, this is not the same as being required to open an office.

The agent can be an individual but they do not have to be an employee: they can be family, friends, or a third party service. The agent can even be a different corporation as long as that corporation is active on our records. In any event, you are certainly not required to open and maintain an office in order to file your application with this office.

If you have any questions concerning the filing of your document, please call (850) 487-6958.
