We respectfully request that the civil penalties listed in the enclosed letter be waived.

The International Conference of Police Chaplains is a non-profit 501(c)(3) organization that provides training, education and support for chaplains in law enforcement agencies and assists law enforcement agencies in starting a chaplaincy program.

The office was relocated to Destin, Florida for my convenience to be near invalid parents. I was the only employee and did not realize that we had to register with the State of Florida. (This was not required in the previous state where the office had been.)

A new office manager brought to my attention that we needed to register with the State, which is what prompted our filing the enclosed document now. It was never our intent not to do what we were supposed to do.

We appreciate any help that can be given to this request.

I would be pleased to answer any questions that you might have.

Thank you for your consideration.

Faithfully,

David W. DeRevere
