Subject: Incorrect Information

Good Afternoon,

My name is Kyle Stanky with General Insulation with a document number of F050000004332. In April as we were updating our annual information a key stroke error was made and the information was submitted under The Manno Corporation with a document number of F02000004332. General Insulation and The Manno Corporation has no ties, dealings or interest with each other. The owner of The Manno Corporation would like all documentation of this mistake removed from the history of the company. Can you please tell us how to go about in completing this task.

Thank you in advance for your assistance,

Kyle Stanky
