Dear Tim,

Enclosed I am returning our application to transact business in Florida. I have corrected #6 on the application indicating that we transacted business in Florida. I misunderstood the question initially and now have corrected it to reflect that we have not transacted business in Florida. We are an insurance agency and though some of our clients have locations in Florida we do not actually transact business in the state. Please reprocess our application with this change. Thanks for you help and please let me know if you have any questions.

Sincerely,
