RE: API National Service Group, Inc.-Application by Foreign Corporation for Authorization to Transact Business in Florida

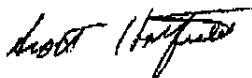

To Whom It May Concern:

In connection with the Application by Foreign Corporation for Authorization to Transact Business in Florida, filed with your office on November 18, 2009, the date of first transacted business (number 6 of the application), incorrectly referenced the date of 1/28/2009. The date of first transacted business should have been listed as 1/22/07. We understand that a penalty will be enforced due to the date being prior to the date of qualification.

If you should have any questions, you may me at 651-604-2724.

Sincerely,

API National Service Group, Inc.

Scott Hatfield
