Subject: Help remove me as "Registered Agent Name & Address...blindly found by doing a "Name Search" - never received anything but not comfortable not knowing this Company...pls remove me

I blindly found this posting by putting my name in to search in general the records. Was looking to see if any old companies I had helped with were in fact inactive. I only happened to find this on 4/12/2021, called the company that day by seeing the 2010 posting. I have never received anything but was able to confirm agents with me at the time were involved with the clients, not me. I asked to be removed and checked again this month and nothing was done. Please remove me as soon as possible.

Many thanks!
