Good Morning Dionne

Glen Burger of Service Insurance Company has asked me to assist him in a matter that he has been working on with you.

My understanding is that you are seeking a Short Form Standing Certificate from the Department State of New Jersey in connection with the Company's Florida expansion application.

As you may be aware, Service is a New Jersey insurance corporation and is regulated by the New Jersey Department of Banking and Insurance - Division of Insurance. It is not regulated by the NJ State Department.

It has never registered with the NJ State - Department of Revenue that typically would produce a good standing form that you are seeking for non insurance companies.

By way of background, I am a former NJ DOBI career employee who oversaw the expansion application process unit in New Jersey. I did not think that we had ever run across this issue but reached out to my former colleagues to confirm.

At this point we are at a dead end and would suggest that we have a conference call with the New Jersey Department of Banking and Insurance to better understand why the Certificate that they provided (as the Department that regulates the Company) is not sufficient for your needs so we can move this process along.

Please let me know if you are agreeable to this.

Thanks

Ray Conover
