RE: Sybertech Waste Reduction Ltd, Corporation

REFERENCE NUMBER. W17000017645

Hello Deborah,

I trust that we have all of our ducks in a row now to be accepted as a Corporation that is Authorized to Transact Business in Florida.

There were four points that needed to be addressed further to our original application. Aside from the conversation that you and I had on March 7th, I also had discussions with Jasmine on March 3rd outlining and confirming which changes and adjustments that I had to make as well as with Nanette a couple of days later.

The four points are as follows:

- 1) The cheque had to be written on a US bank. In that I have a bank account with a US Bank Jasmine confirmed with me that I could submit this cheque from my personal bank and that Sunbiz would accept said cheque.
 - 2) Jasmine mentioned that Florida did not accept the designation LTD, though that they did understand that many foreign companies set up as Ltd, for tax purposes, also were considered a Corporation. As you can see on the W-8BEN-E form, Part 1, section 4 we also have considered ourselves as a Corporation for the purpose of doing business in the US. Note that we have been doing a lot of business in the US for over 20 years.
- As per Jasmines instructions I have, separated by a comma, again as per her instructions, placed Corporation at the end of our company name.
- 3) The Designation of the Registered Office. Jasmine informed me that the only reason that the State of Florida required this address was in that the case of legal proceedings "perhaps" being undertaken against Sybertech then the state required a Florida address to send the documents to. She informed me that the company that I used would in no way be potentially implemented in any legal way but would be only acting as a conduit or "middle man" and to sign for and to forward the documents on to Sybertech. She also mentioned that I could sign as

the Registered Agent as it was only the Florida address that was the concern. Geo-Thermal Systems has been doing business in the State of Florida for decades. The owner's names of "GTS" if they are required are Jim & Patrick Whittlesey

4) The final document that Sunbiz has requested is a "Certificate of Good Standing" or a "Certificate of Existence" In that Sunbiz will not accept a photocopy we have requested a hard copy from the British Columbia government that is being sent to us by snail mail. This is the present hold up.

Q. Will Sunbiz accept a Digital Copy of this Certificate? If so this will greatly expediate the process from our end.

Thank You
