Re: RAB Land and Development, Inc.  
Your reference #F64756

Gentlemen:

Please be advised that the undersigned as president of RAB Land and Development, Inc. did not timely receive the Annual Report/Uniform Business Report form that was mailed by the Secretary of State to RAB Land and Development, Inc. in the early part of the year 2000.

It is my understanding that said form was returned to your office by the postal service and as a result the form was not properly completed or filed within the time required to make the report under the applicable Florida Statutes.

In the month of June, realizing that we had not received the original state required form, we called your office, obtained the form, and filed the same on June 26, 2000.

~~We would request by reason of the non-receipt of the form, that your office remove the late fee penalty of \$4,000.00 and allow my filing of the report dated June 26, 2000 to be qualified as a timely report.~~

I would herewith include our check in the amount of \$8.75 to cover the cost of a Certificate of Status as to this corporation.

I wish to thank you in advance for your attention to this matter.

Sincerely yours,

Ramzi A. Boutros
