RE: Penalty for Annual Report

Dear Sir or Ma'am:

Enclosed please find the 1998 Profit Corporation Annual Report for Tanner Chemicals, Inc. According to the instructions with the form, a \$400 penalty has been levied due to the tardiness of the return. Enclosed is the full \$550.00 for the filing fee and penalty.

Our office never received any prior notices from your department that would enable us to file on a timely basis. Consequently, I am requesting that the \$400 penalty be waived under these circumstances. I apologize for any delay in filing and will ensure that future reports are filed on a timely basis.

Thank you in advance for your assistance and cooperation.

Best Regards,

Rick Miller
