If you did not receive the preprinted report in January, please mail in the second report along with a check for \$150.00 and a note explaining that you never received the first notice, thank you.

First form I received was for due 9/03

We just received our renewal form. Our registration number is F98000004956. The fee on the form states \$550; however the website states a renewal for a corporation is \$150 plus supplemental fee. I cannot find any information on what a supplemental fee is.

I think \$550 is a lot of money to maintain our registration, particularly when we are not currently doing business in Florida. We are a general contract who occasionally has a client with a project in Florida. We have completed 2 projects in the last 3 years.

Can you tell me what our options are?

Thank you.

Christine Hill
