To Whom it May Concern,

I received this second notice in the mail today for \$550.00 . I called and spoke to Debbie to find out why the fee has more than doubled from last year and was told this includes a penalty. I never received a first notice for the \$165.00 fee that she informed me was due this year. That is less than last years fee. I have always filed my return well before any deadline instructed in your mailings. I was told that the mailing is a courtesey to the filers but without a notice each year it is next to impossible to remember all the filing dates. Last year was my one and only late filing due to deciding whether to remain a corp. or file for ficticious name as a sole proprietor my accountant said since it was a \$25 fee to file late ,we should take some time and consider all the points.We decided to remain a corporation.

Please check your files to be sure I was sent a notice, it would be ignorant of any one to file late the first year the rate went back down to a affordable amount, and the penalty was so high..

I am sending the amount and this letter as Debbie instructed and shall wait to receive a reply from your Department. As stated before I have always acted promptly in all my State , Federal, and local filings, please check my records.

Thank You for any consideration in this matter,
Charles Donald Colombo
