ARTICLE XII

INDEMNIFICATION OF DIRECTORS AND OFFICERS

A. The corporation hereby indemnifies any Director or officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

(1) Whether civil, criminal, administrative, or investigative, other than an action, suit or proceeding by or in the right of the corporation to procure a judgment in its favor, brought to impose a liability or penalty on such person for an act alleged to have been committed by such person in his capacity of director, officer, employee or agent of this corporation or of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees actually and reasonably incurred as a result of such action, suit or proceeding or any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in or not opposed to the best interests of the corporation, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such director or officer did not act in good faith in the reasonable belief that such action was in or not opposed to the best interests of the corporation or that he had reasonable ground for belief that such action was unlawful.

(2) By or in the right of the corporation to procure a judgment in its favor by reason of such person's being or having been a director or officer of the corporation, or by reason of such person's serving or having served at the request of the corporation as a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise, against any expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in or not opposed to the best interests of the corporation. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of gross negligence or willful misconduct in the performance of his duties to the corporation.

B. Any indemnification under paragraph A shall be made by the corporation only as authorized in the specific case upon either: (1) a determination that amounts for which a director or officer seeks indemnification were properly incurred and that such director or officer acted in good faith and in a manner

he reasonably believed to be in or not opposed to the best interests of the corporation, and that, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made either (1) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (11) by a majority vote of a quorum consisting of shareholders who were not parties to such action, suit or proceedings; or (2) a determination by independent legal counsel, when directed by a majority vote of a quorum of disinterested directors, that the officer or director seeking indemnification has met the standards of conduct set forth in subsections (1) and (2) of Florida Statutes 607.014.

C. The corporation shall be entitled to assume the defense of any person seeking indemnification pursuant to the provisions of subparagraph A (1) above upon a preliminary determination by the Board of Directors that such person has met the applicable standard of conduct set forth in subparagraph A (1) above, and upon receipt of an undertaking by such person to repay all amounts expended by the corporation in such defense, unless it shall ultimately be determined that such person is entitled to be indemnified by the corporation as authorized in this subparagraph. If the corporation elects to assume the defense, such defense shall be conducted by counsel chosen by it and not objected to in writing for valid reasons by such person. In the event the corporation elects to assume the defense of any such person and retain such counsel, such person shall bear the fees and expenses of any additional counsel retained by him, unless there are conflicting interests as between the corporation and such person, or conflicting interests between or among such person and other parties represented in the same action, suit or proceeding by such counsel retained by the corporation, that are for valid reasons objected to in writing by such person, in which case the reasonable expenses of such additional representation shall be within the scope of the indemnification intended if such person is ultimately determined to be entitled thereto as authorized in this paragraph.

D. The foregoing rights of indemnification shall not be deemed to limit in any way the power of the corporation to indemnify under any applicable law.

ARTICLE XIII

FINANCIAL INFORMATION

The corporation shall not be required to prepare and provide a balance sheet and a profit and loss statement to its shareholders. Nor shall the corporation be required to file a balance sheet or profit and loss statement in its registered office. This provision shall be deemed to have been ratified by the shareholders every year hereafter unless a resolution to the contrary has been adopted by the shareholders.

ARTICLE XIV

AMENDMENT

These Articles of Incorporation may be amended in any manner now or hereafter provided for by law and all rights conferred upon shareholders hereunder are granted subject to this reservation.
