RE: 2002 UNIFORM BUSINESS REPORT

TO WHOM IT MAY CONCERN;

Please accept my apologies for not filing on time this year. We are a small "mom & pop" and "son" shop and have been in business for 28 years here and incorporated for the last 15 years. We have always made it our business & pride to pay our taxes, licenses and fees on time. When I recieved your late notice July 3<sup>rd</sup> I immediately called (850 488 9000) and spoke to a nice lady who informed me we should have recieved the first notice back in January & should have filed by May, she suggested I write you a note.

I spent hours double & triple checking our files and can safely say that we never recieved the original notice of renewal. My father had his leg amputated for cancer last August and I have been doing all the bill paying and records for the business. Being this is my first year of doing all the filing, I wasn't expecting the first notice and wasn't aware that we hadn't recieved it. ~~over~~ over please)

I would have called knowing what I know now. My dad has had a stroke and many other complications following his amputation and as you can imagine hasn't been in the "right mind-set" for anything and hasn't been able to help me much at all. He always took care of the books for us.

I would appreciate it if you would accept our \$150.00 for the original filing as it would be a great help to us during the very slow times we are in now. I promise not to be late next year, I'll now be looking for the renewal form each year.

Thank You  
Gloria Gordon
