his or her conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or plea of nolo contendere, or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best interest of the company.

- b. The foregoing indemnification shall not apply in the case of an action, suit, or proceeding instituted by one or more members of the company, if the claim, matter, or issue raised therein is determined by a court of competent jurisdiction to have resulted from the negligence or misconduct of the member(s) seeking indemnization; provided, however, that such indemnification shall nonetheless apply if, in view of all of the circumstances of the case, such court shall determine that such member(s) is/are fairly and reasonably entitled to indemnification, with respect to such expenses, judgments, decrees, fines, penalties, and amounts paid in settlement as determined by the court.
- c. Expenses of each person indemnified hereunder, incurred in defending against a civil, criminal, administrative, or investigative action, suit or proceeding (including all appeals), or threat thereof, may be paid by the company in advance of the final disposition of such action, suit, or proceeding, as authorized by a majority in interest of the members, upon receipt of an undertaking by such person to repay such amount unless it shall ultimately be determined that he or she is entitled to by indemnification by the corporation.
