Subject: EIN Number Update!!

Hello,

I am writing to update the EIN number for the entity Kush Productions. We applied for the fictitious name on 2/2/10. The corporate filing number we were assigned is 000167834740. We were assigned an EIN number on 2/4/10 and that number is 27-1835366. If you could please update this in your system I would greatly appreciate it. Please write back with any questions or problems.

Thanks,
Winston Evans
