Your EIN update request has been forwarded to the proper section for updating. Please allow 2 to 3 business days for this update to be processed.

An LLC does not need to file a fictitious name registration to use its own name, but it would need to file a fictitious name registration to use any name other than its own name.

Thank you.

Entity name is
Shaffer Computer Consultings LLC

Document number is:
L10000027989

EIN number is:
27-2690804

I also have another question. I recently submitted my fictitious name request. Do I need a fictitious name if my name is the same for all business dealings and registrations Shaffer Computer Consultings and won't change
