To Whom It May Concern,

I would like to report an unauthorized change to my business information that was made on sunbiz.org. Both the principal address and mailing address were changed without my permission or knowledge. The change was made by filing an amended annual report with the "new" addresses listed in the report. I have since filed another amended report with the correct information, but I would like this matter investigated, and the party responsible for this to be held accountable and prosecuted at the fullest extent.

When I contacted your department, the representative that I spoke with stated that the unauthorized amended annual report was signed with my name, so I cannot believe that this was a simple mistake made by someone with a document number close to mine – had that been the case, surely they would not have typed my name into the signature box...

Document number: L11000100540

Business name: Veterinary Emergency Center, LLC

Owner/MGRM: Ilonka Ambros, DVM

Date of the unauthorized amended report filing: 05/13/2023

I greatly appreciate your assistance in this matter, and look forward to hearing from you regarding investigation of this issue.
