We received your electronically transmitted document. However, the document has not been filed. Please make the following corrections and refax the complete document, including the electronic filing cover sheet.

The name designated in your document is unavailable since it is the same as, or it is not distinguishable from the name of an existing entity. Section 608.406, Florida Statutes, was amended effective July 1, 2007, to require the name of a limited liability company to be distinguishable from the names of all other filings filed with the Division of Corporations, except for fictitious name registrations and general partnership registrations.

Please select a new name and make the correction in all the appropriate places. One or more words may be added to make the name distinguishable from the one presently on file. Adding of Florida or Florida to the end of the name is not acceptable. A search for name availability can be made on the Internet through the Division's records at www.sunbiz.org.

Please note the name of a limited liability company must end with the words "Limited Liability Company," the abbreviation "L.L.C.", or the designation "LLC". The word "Limited" may be abbreviated as "Ltd." and the word "Company" may be abbreviated as "Co." The following suffixes are no longer acceptable: "Limited Company", "L.C.", and "LC".

The document number of the name conflict is P97000079687.

The document must contain a registered agent with a Florida street address and a signed statement of acceptance. (i.e. I hereby am familiar with and accept the duties and responsibilities of Registered Agent.)

If you have any further questions concerning your document, please call.
