Dear Ms. Biro

I am the owner of Rand Energy Consultants, LLC ("REC"). I established that company in September, 2013. Last year due to COVID, I dissolved the company. I was told that I couldn't reopen REC because it had been voluntarily dissolved and that I would have to apply for a new LLC but that I could use the same name because it was available. I would very much like to open a company with the name Rand Energy Consultants, LLC. As the owner of the previous LLC, I would like to release that name so that I can use it again.

If there is any way I could simply re-instate REC, I would like to do that. My previous company's number was L13000131500 and I was listed as President.

Please let me know if you need anything else.

Regards,

Orlando Magnani
