Dear Department of State Division of Corporations;

This letter is a statement of fact pertaining to a corporation named Mars Medical Care, LLC, Document #: L23000180403. I am NOT in any way affiliated with this corporation, either as an agent or manager. Without my authorization, this corporation was filed. When I called the Customer service number associated with the Division of Corporations, I informed them that in fact I had no knowledge of this, nor was any authorization granted by me to do so in filing this corporation. That is when I was told to write out a statement of fact declaring this, have the letter notarized and sent to the above address. I was also told that this letter would become public knowledge and this information would then be applied to the above named corporation. The business address was listed as 4204 N. State Road 7, Lauderdale Lakes, Fl 33319 on the Division of Corporations, along with the Document number, etc.

When I received an advertisement from an insurance company, it had my mailing address on it along with the name, Mars Medical Care, LLC. I became suspicious and researched the data base of corporations, when to my shock, I discovered the above mentioned corporation.

Sincerely,

Rosemary Pereira
