Dear Sir or Madam,

This letter is concerning the 2nd notice BaRus Investments just received regarding our annual report filing. We have been expecting a notice of billing for quite some time, since our anniversary date was back on the 8th of March. It is now the 12th of August and we just received a bill. We never received our 1st notice informing us of the amount due. BaRus Investments has no problem with paying on time we just need a bill to due so. We have enclosed a check for the amount of \$203.75 to cover our annual filing fees. This amount does not include the \$385.00 late fee. It has been five months since our anniversary date and this is the first notice informing us of the amount due. If we have overlooked something which could have caused this delay, we were unaware of it and will pay the additional late fees. If by chance this delay took place on your end, we will consider this check sufficient and BaRus Investments up to date. If you have any questions please contact us at the above number.

Sincerely,

James Barnard, Manager
