To Whom It May Concern:

Please find enclosed an application for authorization to transact business for our limited liability company for processing. We are currently qualified to transact business under our corporation entity, and were told that the name infringement would not be a problem as long as it was clear that the corporate officer and the limited liability company manager are the same and that business address was clearly the same for both entities.

If you should have any questions or concerns, please do not hesitate to call or email bskolaris@rsaarchitects.com.

Sincerely,

RSA ARCHITECTS, LLC.
