I have just received THE ONE AND ONLY notice — and it is the 2<sup>nd</sup> which means we did not get the first one.

I am enclosing the regular fee of \$150<sup>00</sup> plus \$8<sup>50</sup>. I have no idea why I didn't get the first one, but I have had several incidences of wrong mail over the last few months.

Please forgive the late fee as we are very grateful.

Respectfully,  
J. Ponata
