RE: Late filing of the 1999 Annual Report by Dental Export & Import Inc.

To whom it may concern,

I have been incorporated in the State of Florida for the past fifteen years. During that time we have tried to comply with all filing requirements including the timely filing the Florida Annual Report. Unfortunately, I did not receive the annual report notices from your office. When I went to apply for a new sales tax number I was told that the corporation had been involuntarily dissolved.

At this time we are respectfully requesting the abatement of the late filing fees for reinstatement, due to the company's history of prompt filings and the fact that we did not receive the renewal notices in the mail.

Based on my discussion with your representative, I am enclosing a check in the amount of three hundred dollars and a typed copy of the 1999 annual report. She indicated that the company could ask for abatement if a retainer of three hundred dollars was submitted with the plea for reinstatement without penalty.

I apologize for any inconvenience which this request may cause and hope that our request will be granted. We will make sure that all future reports including the year 2000 are filed on time.

Sincerely,

Arnold Powell
