Such administration shall include, without limitation, the enforcement of the restrictions and covenants contained in the Declaration. Such administration shall also specifically include the operation, maintenance and management of the surface water or stormwater management system(s) (the "Surface Water or Stormwater Management System") in a manner consistent with the St. Johns River Water Management District ("District") permit no. 4-031-63100-1 requirements and applicable District rules, and shall assist in the enforcement of the Declaration which relate to the Surface Water or Stormwater Management System. Glen Eagle Joint Venture, a Florida general partnership, is the developer (the "Developer") of the Development. All capitalized terms used herein shall have the meaning ascribed to them in the Declaration unless the context clearly indicates otherwise.

The Association does not contemplate pecuniary gain or profit to the members thereof and shall undertake and perform all acts and duties incident to the operation and management preservation and architectural control of the Property and Common Areas of the Development in accordance with the terms, provisions, and conditions of these Articles of Incorporation, the By-Laws of the Association and the Declaration.

ARTICLE III. POWERS

The Association shall have the following powers:

A. All of the powers and privileges granted to corporations not for profit under the laws of the State of Florida and the Declaration, as the same may be amended from time to time as therein provided, said Declaration being incorporated herein as if set forth in length.

B. All of the powers reasonably necessary to implement and effectuate the purposes of the Association, including, without limitation, the power, authority and right to:

1. Make and establish reasonable rules and regulations governing the use of the Property and Common Areas, including without limitation, the master drainage system and Surface Water or Stormwater Management System.

2. Own, hold, improve, build upon, maintain, operate, lease, sell, manage, transfer, dedicate for public use, and otherwise dispose of and deal with such real and personal property as may be necessary or convenient in connection with the affairs of the Association.

3. Own, manage, administer and operate such property as may be conveyed to it by the Developer, its successors or assigns for the mutual benefit and use of all Members.

4. Levy, collect and enforce payment by all lawful means all charges or assessments against members of the Association and their Lots to defray the costs for the improvement, maintenance and operation of the Glen Eagle Development (the "Development"), as will be provided in the Declaration and the By-Laws, including the right to levy and collect assessments for the purpose of acquiring, owning, holding, operating, insuring, leasing, encumbering, selling, conveying, exchanging, managing and otherwise dealing with the Common Areas and other property owned by the Association, which may be necessary or convenient in the operation and management of the Development and in accomplishing the purposes set forth in the Declaration, and to pay all expenses, including office expenses, licenses, taxes, or governmental charges levied or imposed against the property of the Association, incident to the conduct of business of the Association, and to pay the cost of maintenance and operation of the master drainage system and Surface Water or Stormwater Management System.

5. Maintain, repair, replace, operate and manage the Common Areas, including without limitation, the master drainage system and Surface Water or Stormwater Management System serving the Development and any property owned by the Association, including the right to reconstruct improvements after casualty and to further improve and add to other property owned by the Association.

6. Contract for the operation, maintenance and management of the Development, the Common Areas, including without limitation, the master drainage system and Surface Water or Stormwater Management System and other property owned by the Association and, in connection therewith, to delegate any and/or all of the powers and duties of the Association to the extent and in the manner permitted by the Declaration or the By-Laws.

C. Transfer of membership shall be recognized by the Association upon its being provided with a copy of the recorded deed conveying such fee simple title to a Lot to the new Member. However, the foregoing does not prohibit the assignment of membership and voting rights by an Owner who is a contract seller to his vendee in possession.

D. If a corporation, partnership, joint venture or other entity is the fee simple title holder to a Lot, or the Lot is owned by more than one person, the Lot Owner shall designate, by filing the name of the voting person with the Secretary of the Association, one person as the Member entitled to cast votes and/or to approve or disapprove matters as may be required or provided for in these Articles, the By-Laws or the Declaration.

E. Except as an appurtenance to his Lot, no Member can assign, hypothecate or transfer in any manner, his membership in the Association or his interest in the funds and assets of the Association. ARTICLE V. VOTING

A. There shall be two (2) classes of voting membership, Class A Members and Class B Members, which classes are more fully defined in the Declaration.

B. On all matters upon which the membership shall be entitled to vote, there shall be only one vote for each Lot. Such vote may be exercised or cast by the Owner or Owners of each Lot in such manner as may be provided in the By-Laws of this Association. Should any Member own more than one Lot, such Member shall be entitled to exercise or cast one vote for each such Lot, in the manner provided for in the By-Laws. Notwithstanding the foregoing, the Developer shall have the right to cast the number of votes allocated to it in the Declaration and By-Laws for so long as it owns any Lots.

ARTICLE VI. TERM OF EXISTENCE

Existence of this Association shall commence with the filing of these Articles with the Florida Secretary of State, Tallahassee, Florida. The Association shall have perpetual existence. In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the master drainage system and Surface Water or Stormwater Management System must be transferred to and accepted by an entity which would comply with Section 40C-42.027, F.A.C., and be approved by the District prior to such termination, dissolution or liquidation.
