Roger Maris, Jr., whose address is 8828 SW 44th Lane, Gainesville, Florida 32608, is hereby appointed the initial registered agent of the Association and the registered office shall be at said address.

ARTICLE VI
PURPOSE AND POWERS OF THE ASSOCIATION

The Association is formed to provide for, among other things, the management, improvement, maintenance, operation and care of all Common Property (described in Exhibit "B" attached, or hereafter acquired by the Association) and all ditches, retention or detention areas, drainage systems, all Surface Water and Stormwater Management Systems, and preservation or conservation areas, wetlands and wetland mitigation areas which are controlled by the Association. The Association shall have all the powers of a nonprofit corporation organized under the laws of the State of Florida, subject only to such limitations upon the exercise of such powers as are expressly set forth in these Articles or the Bylaws of this Association. The Association shall have the power and duty to do any and all lawful things which may be authorized, assigned, required or permitted to be done by the these Articles and the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, management, administration and improvement of all Common Property and Surface Water or Stormwater Management Systems within its jurisdiction. The

Association shall not pay dividends and no part of any income of the Association shall be distributed to its Members, directors or officers. The Association shall have the following specific duties and responsibilities:

6.1 To fix and make assessments to the Owners of the Real Property , and collect the assessment, as well as any cost of collection including but not limited to reasonable attorneys' fees, by any lawful means.

6.2 To borrow money if needed to carry out the purpose and works of the Association.

6.3 To use and expend the proceeds of assessments and borrowings in a manner consistent with the purposes for which this Association is formed, i.e. to pay debts and obligations of the Association.

6.4 To operate, maintain, repair, replace and manage the surface water or stormwater management system(s) in a manner consistent with the St. Johns River Water Management District permit no. 42-001-69945-1 requirements and applicable District rules, and shall assist in the enforcement of the Master Declaration of Covenants, Conditions and Restrictions which relate to the surface water or stormwater management system; and the Association shall levy and collect adequate assessments against members of the Association for the costs of maintenance and operation of the surface water or stormwater management system.

6.5 Purchase and maintain property and/or liability insurance if deemed necessary or desirable by the Directors of the Association.

6.6 To make, amend, impose and enforce by any lawful means, reasonable rules and regulations of the Association property, subject to approval of the St. Johns River Water Management District and/or local government jurisdiction if said approval is so required.

6.7 To do and perform any obligations imposed upon the Association by the Declaration or by any permit or authorization from any unit of local, regional, state, or the federal government and to enforce by any legal means the provisions of these Articles, the Bylaws and the Declaration.

6.8 To do and perform anything required by these Articles, the By-Laws, or the Declaration to be done by a lot owner, but if not done by the lot owner in a timely manner, at the expense of such owner.

The foregoing specific duties and responsibilities are not construed in any way as limiting the powers of the Association.

Rather, the Association will have and exercise all the powers conferred upon Associations so formed.

ARTICLE VII
MEMBERSHIP

Each Owner, including the Declarant, shall be a Member of the Association. Any person or entity who holds any interest merely as a security for the performance of any obligation shall not be a Member. The Association membership of each Owner shall be appurtenant to the Real Property giving rise to such membership, and shall not be transferred except upon the transfer of title to said Real Property and then only to the transferee of title thereto. Any prohibited separate transfer shall be void. Any transfer of title shall operate automatically to transfer the membership in the Association appurtenant thereto to the new Owner thereof.

ARTICLE VIII
VOTING RIGHTS

8.1 The Association shall have two (2) classes of voting membership:

a. **Class "A"**. Class "A" Members shall be all Owners of Lots, with the exception of the Declarant. Class "A" Members shall be entitled on all issues to one (1) vote for each Lot in which they hold the interest required for membership.

b. **Class "B"**. The Class "B" Members shall be the Declarant and any successor of the Declarant who takes title to and to whom Declarant assigns in writing one or more of the Class "B" votes. Upon the execution of this Master Declaration, the Class "B" Members shall be entitled to 10 votes for each Lot owned by a Class "B" Member, or an aggregate of 60 votes based upon 6 permitted Lots in the TURKEY RIDGE Property. Thereafter, the number of Class "B" votes shall be reduced by one (1) vote for each Class "A" vote from time to time existing in the Association. No parcel shall be entitled to votes until such time as it is annexed by Supplemental Declaration; and at such time it shall be entitled to Class "B" votes in the same manner as provided herein. The Class "B" membership shall terminate and become converted to Class "A" membership upon the happening of the earlier of the following:

(i) When the total outstanding Class "A" votes in the Association equal the total outstanding Class "B" votes; or

(ii) Six (6) years from the date of recording this Master Declaration, or six (6) years from the date of the last annexation of property, whichever shall occur last.

(iii) When, in its discretion, the Declarant so determines.

From and after the happening of any one of these events, the Declarant shall call a meeting as provided in the Bylaws for special meetings to advise the Association membership of the termination of Class "B" status.

The Class "B" Members shall cast on all issues their votes as they among themselves determine. It shall be permitted for the Declarant to retain and to cast all Class "B" votes.

8.2 The Declarant Veto Power. From and after the termination of the Class "B" membership the Declarant shall have a veto power over all actions of the Association and the Board of Directors of the Association. This power shall expire when the Class "A", other than those held by the Declarant, equals ninety percent (90%) of the total membership vote (regardless of class distinction) of the Association, or four (4) years after all Class "B" membership terminates, whichever occurs first.

No action authorized by the Association or the Board of Directors shall become effective, nor shall any action, policy or program be implemented, until and unless:

a. The Declarant shall have been given written notice of each meeting of the Members and of the Board of Directors by certified mail, return receipt requested or by personal delivery, at the address it has registered from time to time with the Secretary of the Association, which notice otherwise complies with the terms of the Bylaws as to regular and special meetings of the Members and Board of Directors, and which notice shall set forth with reasonable particularity the agenda to be followed at said meeting; and

b. The Declarant shall have been given the opportunity at each such meeting, if Declarant so desires, to join in, or to have its representatives or agents join in, discussion of any prospective action, policy, or program to be implemented by the Board or the Association. The Declarant and its representatives or agents may make its concerns and suggestions known to the Members of the Association or of the Board. At such meeting the Declarant shall have, and is hereby granted, a veto power over any such action, policy or program authorized by the Board of Directors, the Association officers, or Association membership, and to be taken by said Board, the officers or agents of the Association, or any individual Member of the Association (if Association or Board approval is necessary for said Member's action). Except as set forth in subsection (c) below, the Declarant veto must be exercised by the Declarant, its representatives, or agents at or before the meeting to consider proposed action. The veto power shall not include the authority to require any affirmative action on behalf of the Board or the Association; and

c. If any action, policy or program is to be implemented by prior consent without the formality of a meeting, then the Declarant shall be provided a written notice and description of the proposed action, policy or program at least ten (10) days in advance of such implementation, and the Declarant shall have ten (10) day after receipt of such notice to exercise its veto.

8.3 Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. In the event that joint or multiple Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Owner or Owners cast a vote on behalf of a particular Lot, it shall thereafter be conclusively presumed for all purposes that he/she was, or they were, acting with the authority and consent of all other Owners thereof. In the event more than the appropriate number of votes are cast for a particular Lot, none of said votes shall be counted and said votes shall be deemed void.

Notwithstanding the other provisions contained in these Articles or the Declaration to the contrary, until the Declarant relinquishes control of the Association or otherwise allows control to transfer to the directors of the Association, Declarant shall provide at least 30 days written notice to the St. Johns River Water Management District and/or local government jurisdiction that all terms and conditions placed upon the Declarant by permits or authorizations from the St. Johns River Water Management District and/or local government jurisdiction have been satisfied in full and that transfer is proposed to occur on a specific date.

ARTICLE IX BOARD OF DIRECTORS

The affairs of the Association shall be managed by a Board of not less than three (3), nor more than five (5) directors who need not be Members. The initial Board shall be comprised of three (3) people. Anything in these Articles to the contrary notwithstanding, until such time as the Declarant has conveyed to purchasers not affiliated with the Declarant all Real Property, or at such earlier date as may be selected by the Declarant, the Declarant shall be entitled to designate the Board of Directors of the Association. The names and addresses of persons who are to act in the capacity of director until appointment or election of their successors pursuant to these Articles are:

<u>Name</u>	<u>Address</u>
Roger Maris, Jr.	8828 SW 44 th Lane, Gainesville, Florida 32608

<u>Patricia Maris</u>	<u>4060 NE 49th Avenue, Gainesville, FL 32609</u>

Once the Declarant relinquishes its right to appoint the Board of Directors, the Members shall elect the directors. All successor directors shall serve for terms of one (1) year each, or until his successor shall have been elected and qualified.

Notwithstanding the other provisions contained in these Articles to the contrary, until the Declarant relinquishes control of the Association or otherwise allows control to transfer to the directors of the Association, Declarant shall provide at least 30 days written notice to the St. Johns River Water Management District and/or local government jurisdiction that all terms and conditions placed upon the Declarant by permits or authorizations from the St. Johns River Water Management District and/or local government jurisdiction have been satisfied in full and that transfer is proposed to occur on a specific date.

ARTICLE X
OFFICERS

The affairs of the Association shall be administered by the officers designated in the Bylaws. The officers shall be elected by the Board of Directors at the first meeting, and they shall serve at the pleasure of the Board of Directors. The names and addresses of the officers who shall serve until their successors are designated by the Board of Directors are as follows:

ARTICLE XI
INDEMNIFICATION

11.1 Every director and every officer of the Association shall be indemnified by the Association against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon him in connection with any proceeding whether civil, criminal, administrative or investigative, or any settlement of any proceeding, or any appeal from such proceeding to which he may be a party or in which he may become involved by reason of his being or having been a director or officer of the Association, or having served at the Association's request as a director or officer of any other corporation, whether or not he is a director or officer at the time such expenses are incurred, regardless of by whom the proceeding was brought, except in relation to matters as to which any such director or officer shall be adjudged liable for gross negligence or willful misconduct, provided that in the event of a settlement, the indemnification shall apply only when the Board of Directors of the Association approves such settlement and reimbursement as being for the best interest of the Association. The foregoing right of

indemnification shall be in addition to and not exclusive of all other rights to which such director or officer may be entitled.

11.2 Expenses incurred in defending a suit or proceeding whether civil, criminal, administrative or investigative may be paid by the Association in advance of the final disposition of such action, suit or proceeding if authorized by all of the non-interested directors upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not to be indemnified by the Association as authorized by these Articles of Incorporation.

11.3 The Association shall have the power to purchase at its expense and maintain insurance on behalf of any person who is or was a director or officer of the Association, or is or was serving at the request of the Association as a director or officer of another Association, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of these Articles.

ARTICLE XII BYLAWS

The Bylaws of the Association shall be adopted by the Board of Directors and may be altered, amended or rescinded in the manner provided by the Bylaws.

ARTICLE XIII AMENDMENTS

Amendments to these Articles of Incorporation and the Bylaws shall be made in the following manner:

thereon as a class and the affirmative vote of a majority of the votes of all Members entitled to vote thereon.

13.4 Multiple Amendments. Any number of amendments may be submitted to the Members and voted upon by them at one meeting.

13.7 Limitations. No amendment shall make any changes in the qualifications for Members nor the voting rights of Members without approval in writing by all Members. No amendment shall be made that is in conflict with the Declaration. So long as the Declarant shall own any lands within the Development Plan, no Declarant related amendment shall be made to the Declaration, or to the Articles or Bylaws of the Association unless such amendment is first approved in writing by the Declarant. Such approval shall be in the form of a modification to any and all permits issued by the St. Johns River Water Management District and/or local government jurisdiction under the lawful adopted rules of the St. Johns River Water Management District and/or local government jurisdiction in effect at the time of application for such modification.
