Please find enclosed my application for incorporation of our Not For Profit organization. I note in your web site that our chosen name Hurricane Watch Net, Inc has been inactive since 1992, and per phone conversation with your office yesterday, I understand I may request that name since it is not presently in use. If I am mistaken about my ability to request that name, then I would appreciate an immediate phone call or e-mail to help me understand why the misinformation.

We are a group of Amateur Radio Operators who have formed an organization for the purpose of providing emergency communications support for the National Hurricane Center in Miami, Fl. As such, we are very inspired to acquire a corporate name as quickly as possible so that we may pursue our 501(C)3 status with the IRS. I will then file with the Division of Consumer Services the appropriate application to allow our solicitation of needed funds.

I very much look forward to receipt of your confirmation that we have acquired the corporate name mentioned above.

Sincerely,

Michael J. Pilgrim
