**ARTICLES OF INCORPORATION  
OF  
PASCO PARENTS FOR QUALITY SCHOOLS AND COMMUNITY INC.**

The undersigned, for the purpose of becoming incorporated under Chapter 617 of the laws of the State of Florida, applicable to corporations not for profit, do hereby submit the following Articles of Incorporation:

**ARTICLE I  
CORPORATE NAME**

The name of the corporation shall be the Pasco Parents for Quality Schools and Community, Inc. (the "Corporation").

**ARTICLE II  
ADDRESS**

The principal office location and mailing address shall be 1729 Audubon Trail, Lutz FL 33549.

**ARTICLE III  
CORPORATE PURPOSE**

The general purpose of the Corporation is to be an advocate for all parents and children in Pasco County. This shall be accomplished through educating the public on school and county government issues, overseeing and effecting policies.

**ARTICLE IV  
MANNER OF ELECTION**

Directors shall serve terms of two years unless re-appointed as specified below. When a term expires, the remaining members of the board of directors shall, by majority vote (even though less than a quorum) fill the vacancy.

There shall be staggered terms of office for directors. The purpose of the system of staggered terms is to have approximately one-half of the board appointed or re-appointed each year by remaining members of the board.

The system for staggered terms of office shall be implemented as follows: at the meeting of the Board of Directors at which these bylaws are adopted there shall be a drawing of lots in order to determine the initial terms of the directors. After the drawing of lots, five of the board members shall have a term of three (3) years, and five of the board members shall have a term of two (2) years. The drawing shall be done as follows:

There shall be pieces of paper prepared equaling the number of board seats. On each piece of paper shall be written "2" or "3" (the numbers refer to the length of each initial staggered board term to be held by the board member drawing that particular piece of paper). There shall be one numbered piece of paper to correspond to each of the desired staggered board terms. The papers shall then be folded and placed in a hat or other receptacle and then the drawing shall take place. Each board member shall have the initial term that is indicated on the piece of paper. The minutes of this board meeting shall show the results of the drawing.

After the board member serves the appropriate initial term, they shall be eligible to serve additional complete two-year terms.

Board members whose terms have expired may continue serving until they are either re-appointed or until their successors are chosen.

A director may succeed himself or herself in office, and there shall be a 3-term limit of consecutive terms a director may serve.

The board of directors may choose to delay in either re-appointing or replacing a board member whose term has expired. If so, the holdover board member may continue to serve pursuant to the previous paragraph. The board of directors, however, may, at any time after a term has expired, act to formally re-appoint or to replace the board member. Such re-appointment or replacement, however, relates back to the date that the term expired (i.e. the new term does not begin to run from the date of re-appointment or replacement).
