## WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 26-2219083. This EIN will identify your business account, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, please use the label we provided. If this isn't possible, it is very important that you use your EIN and complete name and address exactly as shown above on all federal tax forms, payments, and related correspondence. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If this information isn't correct as shown above, please correct it using the tear off stub from this notice and return it to us so we can correct your account.

Based on the information from you or your representative, you must file the following form(s) by the date(s) shown.

Form 1120

04/04/2008

After our review of your information, we have determined that you have not filed tax returns for the above-mentioned tax period(s) dating as far back as 2006. Please file your return(s) by 04/04/2008. Penalties and interest will continue to accumulate from the due date of the return(s) until it is filed. If you were not in business or did not hire any employees for the tax period(s) in question, please file the return(s) showing that you have no liabilities. If you need tax forms, you can call 1-800-829-3676 or you can download the forms from the IRS website at [www.irs.gov](http://www.irs.gov).

If you have questions about the form(s) or the due date(s) shown, you can call or write to us at the phone number or address at the top of this notice. If you need help in determining what your tax year is, see Publication 538, Accounting Periods and Methods, available at your local IRS office or you can download this publication from our website at [www.irs.gov](http://www.irs.gov).

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination on your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue.)
