INDEMNIFICATION OF OFFICERS AND DIRECTORS

The Association shall indemnify any Director or Officer of the Association who is made a party or is threatened to be made a party to any threatened, pending or contemplated action, suit or proceedings, whether civil, criminal, administrative or investigative, by reason of the fact that he is or was a Director or Officer of the Association or is or was serving at the request of the Association as a director, officer, employee or agent of another corporation, association, partnership, joint venture, trust or other enterprise:

- A. Against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with an action, suit or proceeding (other than one by or in the right of the Association) if he acted in good faith, and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe his conduct was unlawful; and,

B. Against expenses (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of an action or suit by or in the right of the Association, if he acted in good faith.

The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

No indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Any indemnification under this Article XIII (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director or officer is proper in the circumstances because he has met the applicable standard of conduct set forth in this Article XIII. Such determination shall be made (1) by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceedings, or (2) if such a quorum is not obtainable, or even if obtainable and a quorum of disinterested Directors so directs, by a majority of the Voting Members of the Association.

Expenses incurred in defending a civil or criminal action, suit or proceedings shall

be paid by the Association from time to time as incurred rather than only after the final disposition of such action, suit or proceeding. Payment of such expenses shall be authorized by the Board of Directors in each specific case only after receipt by the Association of an undertaking by or on behalf of the Director or officer to repay such amounts if it shall later develop that he is not entitled to be indemnified by the Association.

The indemnification provided by this resolution shall not be deemed exclusive of any other rights to which the Association's Directors, Officers, employees or agents may be entitled under the Association's Bylaws, agreement, vote of members or disinterested Directors, or otherwise, both as to actions in their holding such offices or positions, and shall continue as to a person who has ceased to be a Director, officer or employee, and shall inure to the benefit of the heirs, executors and administrators of such a person.

Notwithstanding the foregoing provisions, indemnification provided under this Article XIII shall not include indemnification for any action of a Director, Officer or employee of the Association for which indemnification is deemed to be against public policy. In the event that indemnification provided under this resolution is deemed to be against public policy, such an event shall not invalidate or affect any other right of indemnification herein provided.

The Association shall have the power, but shall not be obligated to purchase and maintain indemnification insurance to provide coverage for any liability asserted against any Director, Officer or employee of the Association in any of his capacities as described in this Article, whether or not the Association would have the power to indemnify him or her under this Article.

Any person requesting indemnification shall first look at any insurance maintained

by the Association for indemnification against expenses (including attorney's fees), judgments, fines and amounts paid in settlement (as described above). The Association shall be obligated to indemnify such person (if entitled to indemnification by the Association) only to the extent such insurance does not indemnify such person. In the event that any expenses, judgments, fines or amounts paid in settlement are paid pursuant to insurance maintained by such Association, the Association shall have no obligation to reimburse the insurance company.

ARTICLE XIV

TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

No contract or transaction between the Association and one or more of its Directors or Officers, or between the Association and any other corporation, partnership, association, or other organization in which one or more of its Officers or Directors are Officers or Directors of this Association shall be invalid, void or voidable solely for this reason, or solely because the Officer or Director is present at or participates in meetings of the board or committee thereof which authorized the contract or transaction, or solely because said Officers or Directors votes are counted for such purpose. No Director or Officer of the Association shall incur liability by reason of the facts that said Director or Officer may be interested in any such contract or transaction.

Interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction.

IN WITNESS WHEREOF, I, the undersigned, being the President of this Association, have executed these Articles of Incorporation, this 14 day of August, 2006.
