8.2 The foregoing shall not be intended to include persons or entities who shall hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Unit which shall be subject to assessment by the Association.

8.3 Membership shall be established effective immediately upon becoming a Condominium Unit Owner.

9.2 Such disposition of Property and assets shall be exclusively in the furtherance of the object and purposes for which the Association shall have been formed and shall not accrue to the benefit of any Director or Officer of the Association or any individual who shall have a personal or private interest in the affairs of the Association or any organization which engages in any activity in which the Association shall be precluded from engaging.

9.3 In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the surface water or stormwater management system must be transferred to and accepted by an entity which will comply with Section 40C-42.027, Florida Administrative Code and be approved by the St. Johns River Water Management District, prior to such termination, dissolution or final liquidation.

10.2 Any number of amendments may be submitted to the Members and voted upon by them at one meeting.

10.3 No amendment may be made to the Articles which shall in any manner reduce, amend, affect or modify the terms, conditions, provisions, rights and obligations set forth in the Declaration.

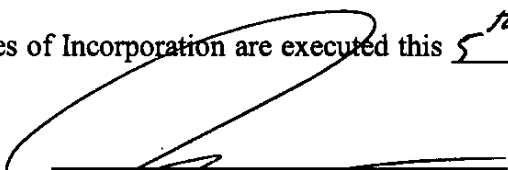

10.4 A copy of each amendment shall be certified by the Secretary of State of the State of Florida and recorded amongst the Public Records of Volusia County, Florida and no amendment to these Articles shall be effective until it has been so recorded.
