ARTICLE VIII
VOTING RIGHTS

The Association shall have two classes of voting membership with the relative rights and preferences as follows:

Class A: "Class A Members" shall be all owners of any lot shown upon any recorded plat of the Property (the "Lot" or "Lots"), excluding Developer (as defined in the Declaration). Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, each such person shall be members, however, the vote for such Lot shall be exercised as they collectively determine, and in no event shall more than one vote be cast with respect to such a Lot.

Class B: The "Class B Member" shall be the Developer, who shall be entitled to the total number of votes of all Class A Members from time to time plus one (1) vote; provided, however, that the Class B membership shall cease and convert to Class A membership on the happening of any of the following events, whichever shall first occur:

Notwithstanding that there shall be two (2) classes of voting membership in the Association, voting shall be based upon the votes cast by the membership as a whole; not on votes cast by or within each class of voting membership.

ARTICLE IX
DISSOLUTION

The Association may be dissolved upon the affirmative vote (in person or by proxy) or written consent or any combination thereof, of members holding not less than two-thirds (2/3) of the total votes of the Association. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency or to any non-profit corporation, association, or other organization to be used for purposes similar to those for which this Association was created.

In the event of termination, dissolution, or final liquidation of the Association, the responsibility of the Association, if any, for the operation and maintenance of the surface water management system must be transferred to and accepted by an entity which would comply with Section 40, Florida Administrative Code, and be approved in writing by FDEP prior to such termination, dissolution, or liquidation. If the Association is dissolved, the control or right of access to the Property containing the surface water management system facilities shall be conveyed or dedicated to an appropriate governmental unit or public utility, and if not accepted, then the surface water management system facilities shall be conveyed to a non-profit corporation similar to the Association.
