ARTICLE III PURPOSE

The purpose for which the corporation is organized is:
Bridges Across Borders Southeast Asia purpose is to build "bridges" between the world's peoples-North and South, East and West, 'haves' and 'have-nots'. We build bridges by: Raising awareness in the Global North about the pressing issues faced by the communities we serve in the Global South; Facilitating people-to-people exchanges, study tours, child sponsorships, and volunteer programs; and Initiating and supporting creative endeavors that affirm our common humanity. We believe that peace, sustainable development and human rights are interdependent and interrelated, and our work encompasses each of these facets. We envision a world where respect for human rights and human dignity are universally accepted and respected norms, where extreme poverty, social injustice and violence are relics of the past, and where human beings live in harmony with our ecosystem. Our mission is to address the root causes of violence and hatred in the world. We are working to dissolve the imagined and imposed borders that separate us by: encouraging a cooperative spirit that builds understanding of our global community; supporting projects that lead to sustainable economic self-sufficiency; preserving ancient cultures and ancient species; teaching creative non-violent methods of resolving conflict; promoting universal principles of human rights.
